

Directions from Carrollton:

Leave Carrollton on GA Hwy #166 East towards Atlanta. Eventually you will come to a 4-way stop with GA Hwy #5. This is before you cross the Chattahoochee River. Proceed through the 4-way intersection still on GA #166. Rather immediately, going off only to your right will be Capps Ferry Rd. **Turn right on Capps Ferry.** On Capps Ferry cross the river where the road changes its name to the South Fulton Parkway. In about 5 miles the SF Parkway comes to **Cochran Mill Rd, turn right.** Go to the next road on your left, **Wilkerson Mill, & turn left.** The nursery is the first entrance on your left after you cross the bridge.
