

**Directions from Douglasville:**

Leave Douglasville on GA Hwy #92 South. After #92 crosses the Chattahoochee River you come to a 4-way stop with Hwy #154. **Turn right on #154.** (A gas station & mart is on your right.) Go about 5 miles until #154 intersects with the South Fulton Parkway at a stoplight. Note your mileage & proceed straight on #154 another 2 miles to a crossroads at the top of a hill with Wilkerson Mill Rd. **Turn right onto Wilkerson Mill Rd.** (This would be easier if local vandals didn't constantly steal or mangle the street sign.) Come out Wilkerson Mill about 3 miles, the nursery is the last place on the right.
